

Dr. Mejia has an 18-year track record of serving the culturally diverse population of Orlando, Florida, which is composed primarily of Hispanic women and their children. Through her work, Dr. Mejia has been able to mentor, teach, support, and advocate for many of these women and families. As a prevention practitioner provider, she continues to help families affected by sexual violence in the management of culturally relevant services, including immigrant communities, faith-based organizations, seminars, and culturally specific programs geared to prevent sexual violence. She has a particular passion for advocating for male survivors as well, and she has been invited to work in collaboration with the Mexican and Colombian consulates to educate their communities in Central Florida.

For this and more, we honor Dr. Diana Mejia.

MATTHEW PAULSON, EAGLE
SCOUT

HON. JEFFERSON VAN DREW

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Mr. VAN DREW. Madam Speaker, I want to recognize Matthew Paulson who recently passed his Eagle Board of Review to become an Eagle Scout. Matthew graduated from Cumberland Christian School in Vineland, South Jersey where he was a four-sport starting senior for basketball, baseball, soccer, and track. He was also a National Honor Society member and plans to attend Rowan University in the business management program. He is also very involved in his church where he volunteers as the leader of the church's technology crew. For Matthew's Eagle Scout project, he completed a playground restoration for Cumberland Christian School. He recruited and supervised 34 workers for over 265 hours to complete the project. Students at the school have had the opportunity to enjoy the playground renovation because of Matthew's willingness to make a difference for his community. Matthew is a born leader, as he served as his troop's patrol leader, assistant senior patrol leader, chaplain's aide, quartermaster, and troop guide. God Bless Matthew and all he has done for his community and God Bless America.

IN RECOGNITION OF THE 100TH ANNIVERSARY OF COUNTRY CLUB CHRISTIAN CHURCH

HON. EMANUEL CLEAVER

OF MISSOURI

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Mr. CLEAVER. Madam Speaker, I am honored to rise today to recognize the 100th anniversary of the Country Club Christian Church. Since 1921, this church has received everyone, regardless of background, with open arms into their religious community. This church has made a tradition of service since its very inception, serving as a center of support for those who call Kansas City home. It is a great pleasure to have this house of worship and pillar of faith in my Congressional District.

Country Club Christian Church was founded in 1921 and it bears the name of its location, the Country Club District. While the church's name may bring to mind images of exclusivity, the church serves under the motto that "all means all," and they have always been committed to providing for and including each and every one of their neighbors. The church has been led by both male and female pastors and ordained its first LGBTQ Minister in 2013. Through its inclusive and loving community, Country Club Christian Church has embodied the notion of loving thy neighbor, making it a central message and mission at this parish.

Not only is Country Club Christian Church a center of worship but also a hub of service in its community. The church participates in community outreach and service, helping its marginalized members by partnering with Cross-Lines Community Outreach Food Kitchen every first Tuesday of the month to serve food to its members. Along with helping those neighbors within Kansas City, this church extends its arms to help newly arrived refugees and immigrants settle into their new homes in our community by providing them support through their transition into a new country.

Around the world, this church has embarked upon missions in Nicaragua, Haiti, South Africa, and India as well as several locations in the United States to provide service, a place of worship, and support for others. While on these missions, Church members helped build water filtration systems for a community in Nicaragua, delivered clothing and gifts to children in Haiti, and provided health services while in India. Additionally, the church organizes a Christian Community Camp each year. Held in the Rocky Mountains, this expedition allows members of the church to build friendships with each other while also growing and expanding their faith.

Country Club Christian Church has served for over a century, and that spirit of service holds true today. The assembly is a clearly devoted group which includes Federal District Judge Steve Bough and his wife, Kansas City Councilwoman Andrea Bough. Madam Speaker, because of the church's decades of service and commitment to communities at home and abroad, please join me in celebrating and honoring Reverend Carla Aday and the congregation of Country Club Christian Church for achieving this milestone. May the next 100 years be just as fruitful.

HONORING THE 60TH ANNIVERSARY OF THE DELAWARE RIVER BASIN COMMISSION

HON. BONNIE WATSON COLEMAN

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Mrs. WATSON COLEMAN. Madam Speaker, I rise today in honor of the 60th Anniversary of the Delaware River Basin Commission.

60 years ago, under President Kennedy, governors from Delaware, New Jersey, Pennsylvania, and New York came together to sign concurrent compact legislation to form a regional body in order to protect, manage, and improve the Delaware River Basin. This profound coming together of the federal government and state governments as equal partners in signing of the Delaware River Basin Compact was a first in our nation's history.

Working together regardless of political boundaries, the Delaware River Basin Commission has worked tirelessly to ensure the health of the Delaware River and the surrounding ecosystems and communities through implementing flood damage reduction, protecting fisheries, abating and controlling stream pollution, improving water quality, and more.

I thank the Delaware River Basin Commission for their work, and congratulate them on their 60th Anniversary.

HONORING CRAMER VERDE IN
HONOR OF HISPANIC HERITAGE
MONTH

HON. DARREN SOTO

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

Thursday, September 30, 2021

Mr. SOTO. Madam Speaker, in honor of Hispanic Heritage Month, I honor Cramer Verde. Cramer was raised in Peru and now makes Florida his home. As a child, his father's work as a city councilman and business owner sparked his interest in helping others. He continues this legacy to this day, and still remembers his early involvement in supporting his hometown through community efforts.

Cramer received a degree in marketing and business administration from San Ignacio de Loyola University in Lima, Peru. There, he worked closely with the school administration and was president of the University Social Alliance. This student nonprofit organization worked with the vice president of Peru to provide educational and medical material to kids in low-income communities. These experiences helped cultivate Cramer's drive for success and spirit of hard work.

When Cramer moved to Sarasota in 2003, he quickly saw a need to change immigration policies and other issues. He mobilized and got involved with numerous organizations like UnidosNow, the ACLU of Florida, and LULAC Florida. Presently, he serves as political director of LULAC Florida and president of the Sarasota chapter of the ACLU of Florida.

In his professional career, Cramer has worked with the Small Business Administration of Peru, Microsoft, Bank of America, and many other groups, organizations, and companies. Cramer is an entrepreneur and currently the owner of Casa Verde Real Estate and Cramer Strategic Consulting, a marketing-political consulting company. He is a car aficionado, dog lover, husband, and is always looking at different ways to support and defend his community from any threats or harm.

For this and more, we honor Cramer Verde.
